

E6256.1 GPS Monitoring Enhancement Endorsement

In consideration of the premium charged, and on the understanding this endorsement leaves all other terms, conditions, and exclusions unchanged, it is agreed the professional liability coverage part is amended as follows:

I. The following is added to the end of Section II. Coverage enhancements:

GPS monitoring sublimit GP-A. **We** will pay up to \$<SUBLIMIT> in the aggregate in damages and **claim expenses** for any **claim** against **you** alleging **your** failure to monitor a **bonded defendant**, including **your** failure to notify or alert the appropriate court, law enforcement agency, or other designated person or organization of a **bonded defendant's** violation of their release agreement or bail conditions, provided the **claim** is first made against **you** during the **policy period**, it directly results from the use of Global Positioning Unit (GPS) tracking devices in **your professional services** performed on or after the **retroactive date**, and it is reported to **us** in accordance with Section V. Your obligations.

You must pay the **retention** stated in the Declarations in connection with any payment **we** make under this subsection GP-A, and any payments **we** make will be a part of, and not in addition to, the **coverage part limit**.

II. In Section VI. Exclusions – What is not covered, the “Manufacture of goods/products” exclusion is deleted in its entirety and replaced with the following:

GP-1. based upon or arising out of any goods or products manufactured, sold, handled, distributed, or used by **you**, including but not limited to GPS tracking devices used in the performance of **your professional services**.

III. The following exclusions are added to the end of Section VI. Exclusions – What is not covered:

GP-2. based upon or arising out of any actual or alleged failure or interruption of service provided by a satellite service provider, telecommunications provider, utility provider, or any other infrastructure provider which impairs the capability of any GPS tracking devices used in the performance of **your professional services**.

GP-3. based upon or arising out of any actual or alleged illegal, illicit, illegitimate, improper, or unauthorized use of a GPS tracking device.

GP-4. based upon or arising out of any actual or alleged failure to notify or alert a witness, victim, or informant involved in a criminal investigation of a **bonded defendant** of such **bonded defendant's** violation of their release agreement or bail conditions.

IV. As a condition precedent to coverage under this policy, **you** must require that any person or organization from whom **you** lease GPS tracking devices for use in the performance of **your professional services** maintain General Liability insurance coverage, including Products-Completed Operations coverage, with limits of liability of not less than \$1,000,000, on a continuous basis, during the **policy period**. Such insurance must extend coverage to **you** as an additional insured.

We will have no obligation to pay any sums under this policy, including any **damages, claim expenses**, or other **covered amounts**, for any **claim** or **occurrence** covered by the General

NAMED INSURED:

Page 2 of 2

Liability insurance required by this Endorsement which is based upon or arises out of any GPS tracking device leased to **you** by such person or organization, if they do not have in place the insurance described above at the time the **claim** is made or **you** report a **potential claim** or any other covered matter.
